

STORY / Hugh Shampoo by Karen George
CRAFT / Wacky Hair Do Portrait

To find at home:

- Printed portrait photograph
- Scissors
- Glue
- Paper, card or cardboard
- Paints, felt tips or crayons
- Collage materials (wool, shredded paper, cut up old paintings, tissue paper, cardboard shapes, stickers, tin foil – whatever you can find!)

What to do:

Ask an adult to take a photo of your face and print it out.

(If you don't have a printer you can cut out faces from magazines instead – ask an adult first!)

Cut out just your face and glue onto a piece of paper, card or cardboard.

Draw, paint or glue collage materials on to make a wacky hair do.

Why not print out a few sheets to make different hair dos!
