COLOURFUL MINDS

What to do:

Cut out the duck templates from the pdf sheet.

Draw around them onto a piece of cardboard or cereal box. Cut out.

Paint the cardboard duck shapes. Leave to dry.

Cut out the eye shapes from the pdf sheet.

Glue one onto each painted duck shape.

Colour in the pupil on the eye.

Cut out the stand template from the pdf sheet.

Draw around it twice onto a piece of cardboard or cereal box to make 2 stands.

Cut out and fold in half.

Glue one side of the folded stand to the back of the painted duck shape, with the open side along the bottom of the duck.

The duck should be able to stand up on its own now. Repeat with the other duck.

Cut a pipe cleaner in half and tape a semi circle shape on the back of each duck's head.

To make a hook:

Fold a pipe cleaner in half and twist together to make it stronger.

Make the end into a hook shape.

Tape the straight end to a pencil or lollipop stick.
